AND WHEREAS, the owner of the above-described property requests that a building monument sign be allowed to encroach upon the existing 25' utility easement containing an 8" sewer main;

AND WHEREAS, the City has been requested to consent in writing for a building monument sign be installed at the requested location;

NOW, THEREFORE, the City of Norman does hereby consent to said building monument sign being within and upon the 25' water line containing an 8" sewer main with the following conditions:

1. The property owner will at all times maintain the building monument sign no closer than 4.6' to the existing 8" sewer main.
2. The property owner be responsible for the cost of repairs for any damages to the City's 25' utility easement caused by any excavation or other construction activities conducted on their behalf; and
3. The property owner will be responsible for the cost the City incurs to remove any or all of the building monument sign, if needed, to facilitate maintenance or repair of the City's easement; and
4. The property owner will be responsible for the cost to repair or replace any or all of that portion of the building monument sign for such repairs.
5. The property owner waives and releases any claims against the City for any damages to any or all of the portion of the building monument sign caused by any excavation by the City for purposes of maintaining or replacing the City's facilities within the easement areas.
6. By encroaching on said 25' utility easement, the property owner releases Oklahoma Electric Cooperative, Oklahoma Gas & Electric, Oklahoma Natural Gas, AT&T Southwest, and/or Cox Communications, Inc. of responsibility to repair, rebuild, or maintain any portion of the encroaching driveway.
7. Damages to Oklahoma Electric Cooperative, Oklahoma Gas & Electric, Oklahoma Natural Gas, AT&T Southwest, or Cox Communications, Inc. facilities resultant from any current/future construction may carry possible financial charges to the property owner.

The consent is limited to the building monument sign as indicated in the application being located on the 25' utility easement, and the City does not authorize or consent to the construction or location of any other structure(s) of a permanent nature within the easement. Further, this Consent is given with the understanding that the property owner is responsible for any and all direct and consequential damages resulting from the granting of this consent with entry to or upon the existing easement as required at any time in the future.

The City, or any other entity so authorized, shall not be held responsible for any and all direct or consequential damages to encroaching improvements resulting from entry, by the City or any other entity so authorized, upon said utility easement, for any purpose associated with the maintenance, construction, relocation, etc. of any utility located within the said easement.
