**Re: Notice of Request for Closure of Right-of-Way
Resolution No. R-8182-66**

Dear Ms. Hall and Mr. Danner:

In response to your notice regarding the referenced matter, Southwestern Bell Telephone Company ("SWBT") does **object** to closing the described public way or easement. SWBT has existing buried facilities installed and in use within the location more particularly described as:

One-half of the total frontage of the public right-of-way located at 2620 and 2638 South Classen Boulevard in the City of Norman, Cleveland County, Oklahoma.

SWBT will need to use the area sought to be closed for the provisioning of telephone and communications services, and therefore **objects** to having the easement closed.

Thank you for your assistance, and please do not hesitate to call our engineer for this area, Chad Truesdell, with any questions or concerns. He can be reached at (405) 291-1171.

Yours truly,

Pat Mason, Assistant to
Thomas Ishamel
