The HP EliteBook 2760p combines the power and reliability of an HP EliteBook with the flexibility of a tablet with pen and touch capabilities. Get your work done faster and intuitively by using the pen or finger touch. Especially useful for professionals regularly away from a desk.

With HP QuickWeb you can tap into fast, convenient, and more secure access to the Internet, email, contacts, and calendar — all at the touch of a button — without long boot-up times.

The EliteBook 2760p offers a 12.1-inch diagonal, 16:10 WXGA ultra-wide viewing angle. This PC is designed to meet tough military standards (MIL-STD-810G) for vibration, dust, humidity, altitude, and high temperature so you can carry this PC with confidence.
