### **Application Summary**

Evans Enterprises is relocating their production plant from Oklahoma City to Norman to build a bigger facility. This location is currently not platted and is zoned I-2, Heavy Industrial; therefore a rezoning is not required for this use. Evans Enterprises is going through the preliminary platting for this parcel. They will receive water from Norman and sewer from Moore. All other infrastructure requirements will be met per Public Works requirements for the preliminary plat.

### **Neighbor's Comments/Concerns**

Mr. Ruppert was pleased that he will have new neighbors and welcomes Evans Enterprises to Norman, Oklahoma.
