Mr. Shawn O'Leary, P.E., Director of Public Works
Public Works Department
201 West Gray, Bldg A
Norman, Oklahoma 73069

Re: Interstate 35 and Robinson Street Interchange Study in Norman, Cleveland County

Dear Mr. O'Leary,

On November 22, 2016, Kevin Bloss, Trent Hurst and I, met with you and your staff to view the presentation by your consultant, Garver, and discuss alternatives for the above referenced project. Through this meeting and further review of Garver's report, we have no objections to the concept that has been recommended by your consultant. Please use this letter as concurrence to proceed with the next phase of design.

We appreciate your time and patience through this process, and we look forward to working with you and your staff during the next phase of this project.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Timothy A. Tegeler". The signature is fluid and cursive, with the first name being the most prominent.

Timothy A. Tegeler, P.E.
Director of Engineering
Oklahoma Department of Transportation

Cc: Kevin Bloss, P.E., ODOT Division 3 Engineer
Trent Hurst, ODOT Project Manager, Division 3
