SUBJECT: Request for Consent to Encroachment No. 1516-6

I am in receipt of an encroachment request for permission to encroach on a 15 foot utility easement located in Lot 2, Block 1, Sherwood South 2 Addition Replat, a replat of Lot 1, Sherwood South 2 Addition, a/k/a 750 Imhoff to allow pool equipment and concrete paving to extend into the easement on the west side of the property. The application fee has been paid. After the information has been received from the Planning Department, Public Works Department, and Utilities Department and a determination has been made on whether to recommend approval or denial, please forward your recommendation and Consent to Encroachment Form, if needed, to my office in order that it may be scheduled as an agenda item.

This item will be scheduled as an agenda item on January 12, 2016, and the information must be received in my office by January 4, 2016. If there is a problem in meeting that timeframe, please advise.
