Re: *Southridge Historic District Annexation*

Dear Ms. Starr,

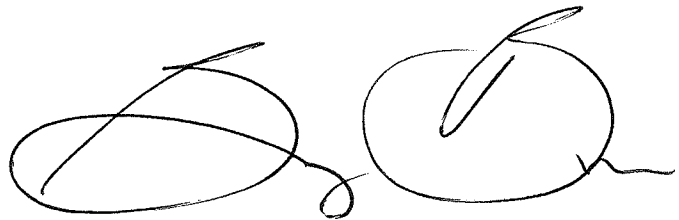

I live in the proposed area of annexation at 1318 Classen Blvd, and I'm extremely supportive of this idea.

The proposed expansion makes sense and preserves an amazing area of Norman. From what I've learned, I would think the proposed area has a better relationship with the historic district than the university. It would be a shame to lose my home to future developments. I can only hope we make the right decision to expand and preserve the historical nature of this neighborhood.

I am hopeful that the city of Norman and its officials will approve this annexation.

Thank you,

Gregory D. Brown
