SUBJECT: Claim from Greer Schooler

I am in receipt of a claim from Greer Schooler in the amount of \$6,493.31 for damages to his vehicle due to his claim that on November 17, 2020, he was moving forward at a green light at the intersection of Interstate Drive and East Robinson Street when a City vehicle ran a red light striking his vehicle. According to the accident report, Mr. Clinton Satterwhite with the Water Treatment Plant, ran a red light at Interstate Drive and East Robinson Street intersection colliding with Mr. Schooler's vehicle. Mr. Schooler's vehicle is not drivable and had to be towed so he is submitting one estimate and will also be submitting an additional claim for rental car expenses once his vehicle is repaired. I have requested a copy of the vehicle title, which I will forward to your office upon receipt.

Chris, I would appreciate your checking with your staff regarding verification of the problem. Please report your findings by written memorandum to me with a copy to Kathryn.

Kathryn, if it is determined the City has liability in this matter, please signify by writing a report of your recommendations in order that we may schedule this claim as an agenda item.
