Mr. Tony Mensah, Street Superintendent
668 East Lindsey Street
Norman OK, 73069

Subject: Street Maintenance Bond Program – ADA Ramp Repair, FYE 2021 Locations Project –
Contractor Recommendation

Dear Mr. Mensah,

Bids for the Street Maintenance Bond Program – ADA Ramp Repair, FYE 2021 Locations Project (Bid 2021-39) were opened on January 7, 2021, at 2:00 pm at City of Norman offices. Three (3) bids were received, and are summarized below along with the Engineer's Estimate.

<u>Vendors</u>	<u>Total Bid</u>
Engineer's Estimate	\$66,533.00
Rudy Construction Company	\$94,875.00
Nash Construction Company	\$69,633.00
EMC Services, LLC	\$79,967.00

Nash Construction Company submitted the apparent low bid in the amount of \$69,633.00. This bid has been reviewed for mathematical accuracy and evaluated to identify any potential irregularities, to which none were found. The low bid is approximately 4.7% above the Engineer's Estimate. After further review of the unit prices and overall bid items, it was determined that the individual bid items are fair prices and staff underestimated the mobilization and traffic control costs for this small project at multiple locations.

Based on the information summarized above, I recommend award of Contract No. K-2021-78 to Nash Construction Company in the amount of \$69,633.00

Sincerely,

Tim Miles, P.E.
Capital Projects Engineer
