**To whom it may concern,**

**This letter is a request for a variance of the City of Norman ordinance to allow McGregor Estates to allow construction on two separate lots, each having 9.93 acres instead of the 10 acres as required. Included is the Norman Rural Certificate of Survey Plat showing all necessary information.**

**D. Harry McClintick RPLS. #1367 of M & M Land Surveying, Inc. offered the following information:**

**"In 1874 the General Land Office surveyed the NW/4 of Section 9, Township 8 North, Range 1 West, as being a standard 160 acres. Today it measures 158.95 acres. This survey is a part of the NW/4 (W/2 of E/2 of NW/4 of NW/4 and E/2 of E/2 of NW/4 of NW/4) it will be short in acres also but is still considered a 10 acre tract."**

**(letter attached)**

**Your consideration is greatly appreciated,**
