

A RESOLUTION OF THE NORMAN UTILITIES AUTHORITY APPROPRIATING \$90,000 FROM THE WATER FUND BALANCE TO INSTALL A FIBER OPTIC LINE TO THE WATER TREATMENT PLANT LOCATED AT 3000 EAST ROBINSON STREET.

- § 1. WHEREAS, since 2009, the City of Norman has installed over 50 miles of fiber optic line to enhance the City of Norman's communication systems for its facilities; and
- § 2. WHEREAS, one piece of the fiber optic effort to connect City buildings and facilities includes extending the fiber optic lines to the Water Treatment Plant; and
- § 3. WHEREAS, at this time, the Water Treatment Plant is hindered at times to complete work or transfers of data to and from the City network which also includes the ability to make telephone calls on the Voice over Internet Protocol (VoIP) telephone system; and
- § 4. WHEREAS, completion of extending the fiber optic network to this location will also be beneficial to the Emergency Operations Center (EOC) as that project matures.

NOW, THEREFORE, BE IT RESOLVED BY THE NORMAN UTILITIES AUTHORITY:

- § 5. That \$90,000 be appropriated from the Water Fund Balance (031-0000-253.20-00) to Computer Hardware (031-5534-461.53-01) to allow the fiber optic line to be extended to the Water Treatment Plant.

PASSED AND ADOPTED this 22nd day of August, 2017.
