Body

BACKGROUND: Funding for social service agencies of \$150,000 was established in the Fiscal Year 2014-2015 City of Norman budget adopted on June 10, 2014. Interested agencies were required to submit an application that required information regarding the overall mission of the agency, specific project for which funding was being requested, financial information including budget summary and projected budget, copy of most recent audit and copy of IRS tax exempt status letter. The application also required a list of the current board members and staff members of the agency.

Agency project funding will be on a reimbursement basis. Payment will be made as invoices with appropriate documentation of project execution and receipts are received.

DISCUSSION: On September 22, 2014, the Social and Voluntary Services Commission (SVSC) heard presentations from 21 social service agencies who had submitted applications for funding. The Commission

held a subsequent meeting on September 29, 2014 to discuss the applications received and to determine their funding recommendations.

After consideration of the applicants, the SVSC Commission determined that 19 of the agencies would be recommended for funding to the Norman City Council at the October 28, 2014 meeting (see attached spreadsheet). Each of these agencies, if funded, will be visited a minimum of once during the fiscal year by Commission members. The members will visit each workplace and meet with agency staff. They inquire about future trends, what special challenges are ahead for the organization and how partnerships with others doing work in this field can be established. They evaluate and form an overall impression of the organization as well as determine contract compliance.

Bethesda, Inc., founded in 1982 is a 501(c)(3) non-profit, United Way agency. Their mission is the "Heal the trauma of childhood sexual abuse through therapy, education and prevention." The proposed funding will assist in the Summer Therapeutic Camp program. This is a one week camp for children 8-13 years in age in which they will receive 40 hours of therapy in a compact and concentrated program. The Summer Camps achieve the mission by providing a fun, interactive, memorable and, most importantly therapeutic experience for participants.

RECOMMENDATION: The Social and Voluntary Services Commission recommends approval of the proposed contracts. Funds are available in Contributions (account 010-1087-411.47-41).
