RE: Approvable Pending Adoption of the Cleveland County, Oklahoma Multi-Jurisdiction
Hazard Mitigation Plan

Dear Mr. Rollins:

This office has concluded its review of the referenced plan, in conformance with the Final Rule on Mitigation Planning (44 CFR § 201.6). Formal approval of this plan is contingent upon the adoption by the participants on Enclosure A, as well as the receipt of the final draft of the plan containing all plan components.

Adopting resolutions must be submitted to this agency for review and approval no later than 1 year from the date of this letter. Failure to submit these resolutions in a timely manner could lead to a required update of the plan prior to FEMA approval.

Once this final requirement has been met, a letter of official approval will be generated. The Local Hazard Mitigation Planning Tool, with the reviewer's comments has been enclosed to further assist the jurisdictions in complying with planning requirements.

If you have any questions, please contact Shanene Thomas, HM Community Planner, at (940) 898-5492.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald C. Wanhanen".
