Part of the SE/4 of Section 5-T8N-R2W and SW/4 of Section 4-T8N-R2W**

Mr. Danner;

Our records show OG&E Electric Services has overhead facilities along the west side of Classen Blvd. in the road right of way, at the addresses named above. OG&E currently serves both properties.

OG&E does not oppose the closing of the right of way as long as we maintain all our rights to use the right of way the applicant is attempting to close. If you should have any other questions, I can be reached at 553-5174.

Sincerely,

A handwritten signature in black ink that reads "Timothy J. Bailey". The signature is written in a cursive style with a large initial "T".
