Dear Dr. Evenson,

I am writing to you in reference to the bid opening that was held April 15, 2021 at 2:00 p.m. in the City's Public Works Building C, HR Conference Room, Norman, OK. The sole bidder as-read at the bid opening for the referenced project was Cimarron Construction. Based upon my review of the bid tabulation, I find the bidder satisfactory to perform the work under this contract.

I recommend that the bidder be awarded the contract for this project, per the unit price, for the Base Bid total bid Amount of \$469,964.00. This recommendation is conditional upon receiving acceptable bonds and insurances, as required in the contract documents. Due to this project being unit price based, I recommend that the City Council add a 10% contingency of \$46,996.00. Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,

Harris C. Wilson, PE
