RE: Community Christian School
Request for Special Use – 3106 Broce Drive

Dear City Clerk:

Please be advised that we received a legal notice from the Norman Planning Commission stating that the Community Christian School has submitted a request to the City of Norman for special use of the property at 3106 Broce Drive to expand their existing private school.

As a property owner within the area, we are protesting the approval of this use until we know more facts about their intentions for the property as we feel it could have a big impact and put restrictions on our property use and property tenants in the future.

Sincerely,

Gail Armstrong
President
