SUBJECT: Request for Consent to Encroachment No. 1213-10

I am in receipt of an encroachment request for permission to encroach on a utility easement located in Lots 4 and 5, Block 1, Empire Addition, a replat of Malone Addition, a/k/a 3024 South Classen Boulevard, to install a permanent sign. I am forwarding the letter of request; survey; sign dimensions; and letters from ONG, OG&E, Cox Communications, OEC, and AT&T. The application fee has been paid. After the information has been received from the Planning Department, Public Works Department, and Utilities Department and a determination has been made on whether to recommend approval or denial, please forward your recommendation and Consent to Encroachment Form, if needed, to my office in order that it may be scheduled as an agenda item.

This item will be scheduled as an agenda item on April 23, 2013, and the information must be received in my office by April 8, 2013. If there is a problem in meeting that timeframe, please advise.
