TO: Shawn O'Leary, Public Works Director
FROM: Property Owners on Debarr Avenue

Mr. O'Leary,

Please accept the enclosed petitions to change the street name of Debarr Avenue. You will see that 75% of the property owners on Debarr Avenue have given their permission to rename the street to the name **Deans Row**. This street name is proposed to the City of Norman to replace the current street name Debarr Avenue.

You will also find a check for \$200.00 from one of the property owners on the street (Mark Millsap) at 766 Debarr Avenue. This check will serve as the \$200 application fee for the street renaming.

Sincerely,

Property Owners on Debarr Avenue (Deans Row)

Permanent Street Name Changes

A. **Persons Wishing to Propose a Change in a Current Street Name**

1. Persons wishing to propose a change in a current street name should contact the Public Works Department to determine if the proposed name is acceptable. The criteria for the Public Works staff to determine acceptability of the proposed change should include: (a) verification that the name is not a duplicate; (b) whether the proposed change contains vulgarity or vulgar innuendo; (c) whether the proposed change is likely to cause confusion with other street name by Emergency Services; and (d) whether the proposed change meets current U.S. Postal addressing criteria.
2. Once acceptability criteria have been met, the Public Works Department should also be presented a petition containing the names of at least 75% of affected property owners along with the application fee of Two Hundred Dollars (\$200). As used in this Policy, the term "affected property owners" means owners of property on the street proposed to be renamed whose property address will change if the street is renamed.
3. The Public Works staff will verify property ownership records against the petition. If the mailing address of the property owner set forth on the ownership record is not the same as the property address, notice of the petition via First Class shall be mailed to the property address to ensure all rental tenants receive notification.
4. Once property ownership records are verified, the Petition requested the name change and supporting documentation will then be forwarded to the City Clerk for placement on the agenda of a regular Council meeting for consideration. If approved by City Council, the City Clerk will cause the resolution to be filed in the Cleveland County Clerk's Office. The Public Works staff will send all affected property owners a copy of the Resolution renaming the street, make the require signage changes, and notify the 9-1-1 Association of Central Oklahoma Governments (9-1-1 ACOG), the United States Post Office, etc. The Public Works staff will also identify all multi-unit properties and consult USPS databases to locate individual unit mailing addresses to ensure all rental tenants receive a copy of the Resolution renaming the street.
5. The petitioner(s) is required to pay the full cost to manufacture the new street sign(s).

B. **Requests by the Mayor, Three (3) Councilmembers, or the Human Rights Commission to Change a Street Name**

1. The Mayor, ^{or} three (3) Council members, or the Human Rights Commission may request initiation of the process to change a street name when it is deemed offensive or derogatory as measured by the Civil Rights and anti-
