RE: **Applicant: City of Norman**
Consent for closure of right-of-way
A portion of Farmer Street between Jenkins and Lincoln Avenues

Mr. Danner;

Our records show OG&E Electric Services has overhead facilities in the portion of Farmer Street the City of Norman plans to close. OG&E would need to:

“Retain and continue to have a utility easement and the right of ingress and egress to continue to enter upon, maintain, operate, upgrade and reconstruct electric utility facilities and continue to operate and provide electric service in, upon, under and across said property.”

If you should have any other questions, I can be reached at 553-5174.

Sincerely,

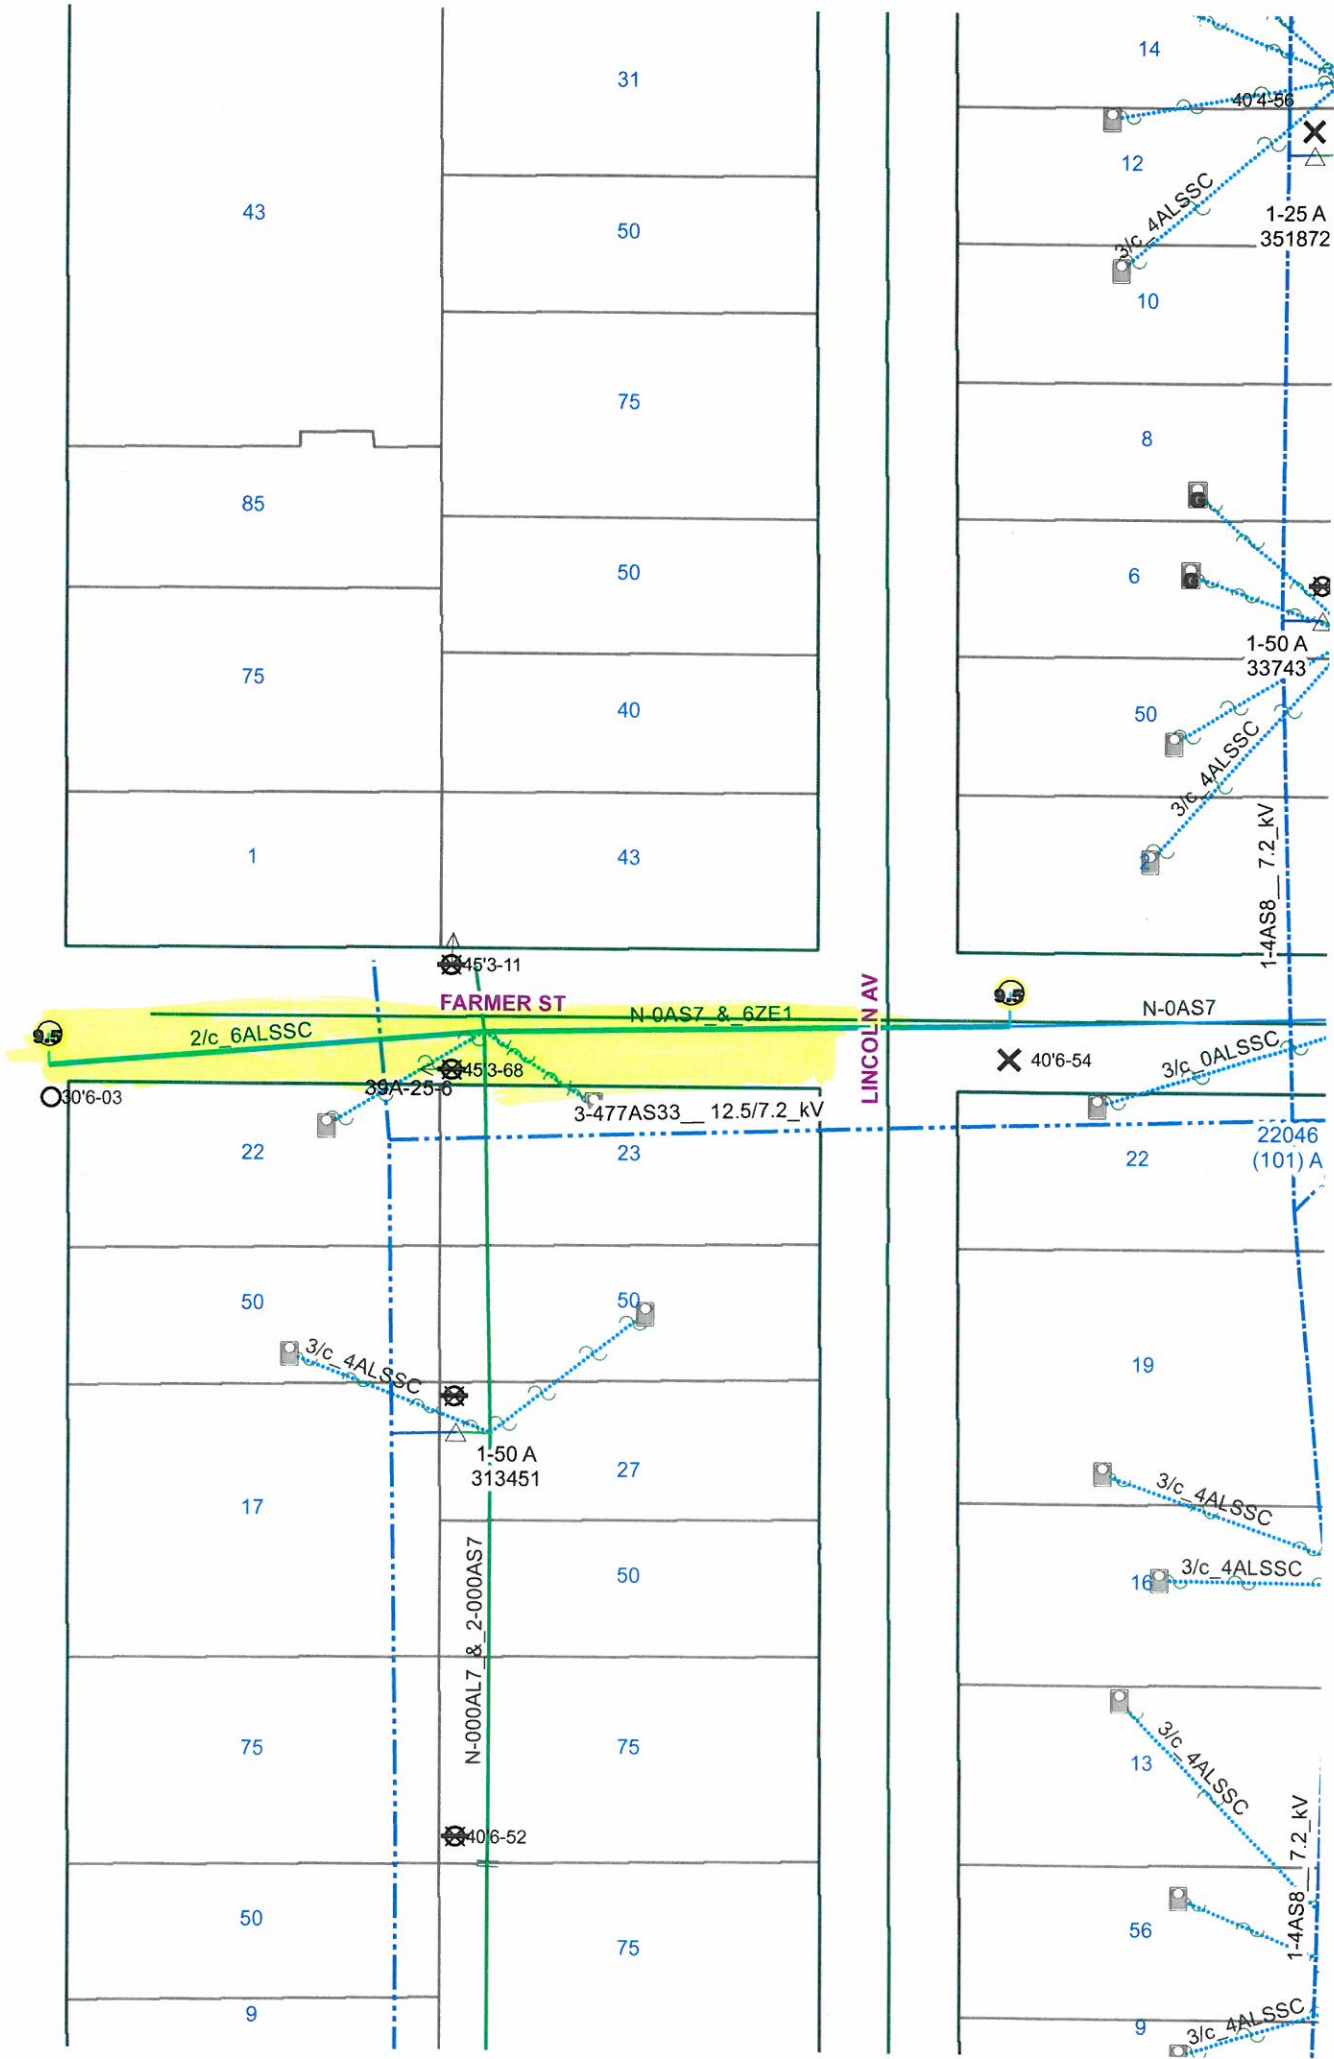

A handwritten signature in black ink that reads "Timothy J. Bailey". The signature is written in a cursive, flowing style.
