Norman City Council Members,

This letter is written in support of the Juniper Norman Senior Housing project for Cobblestone Creek. My husband and I have lived in Cobblestone Creek for over 15 years, and during that time we have enjoyed the neighborhood and the golf course. The sustainability of Cobblestone Creek has been due to the continuous efforts of Dr. Tim Shannon. We are supportive of Dr. Shannon's efforts to add this Senior Housing project to Cobblestone. Dr. Shannon has shared information with all of the residents of Cobblestone about the project and been responsive

to the neighborhood requests for changes or additions. For example, there is a new agreement on the wall, landscaping, and trash/dog park design elements.

My husband and I feel that this proposal for a Senior Housing project will enhance both the Norman community, as well as the Cobblestone neighborhood. This level of Senior Living is specifically designed to add value to the community aesthetically as well as economically. The project will allow quick access to the University of Oklahoma's campus and attract a group of citizens that can add significantly to our neighborhood and city.

We urge the Planning commission to join us and Cobblestone in welcoming this important addition to Cobblestone Creek.

To the City of Norman Planning Dept.,

My name is Dr. Brian Chaffin. My family and I reside at 4500 Pebble Beach Drive in the Cobblestone Creek housing addition. As a resident, I feel that the senior housing facility will positively impact our neighborhood and community, while adding value to our property, and adding a needed entity for our town. On behalf of myself and my family, we are in full support of the Juniper Norman OZ senior housing community project.

My husband, Tim and I are residents of Cobblestone Creek and have lived at 4600 Pebble Beach Drive for almost 10 years. We highly support the proposed new Senior Living Center in our neighborhood as it supplies an innovative and progressive design to our community that we feel adds value to finish our neighborhood development and aid in support of the golf course amenities of the community.

We value our neighborhood and would love to see it move forward toward completion with a project of this sort.

Thanks
