Re: Confirmation of Substantial Completion of WTP Backwash Tower Resurfacing Project, Contract No. K-1920-43

The work associated with the noted project above has been inspected by Dunham Engineering and found substantially complete by the contractor, CTEX Construction Services. Dunham Engineering recommends acceptance of the complete project to the Owner, Norman Utilities Authority. Final payment is approved by Dunham Engineering.

If you should have any questions or require more information, please contact me.

Sincerely,

Joe Seiter, P.E.,  
Engineering Manager
