* * *

Sec. 15-412. – Prevention of Youth Access to Tobacco and Vapor Products

- (a) Definitions. For the purposes of this section, the following definition shall apply:

“Proof of age” means a driver license, license for identification only, or other generally accepted means of identification that describes the individual as twenty-one (21) years of age or older and contains a photograph or other likeness of the individual and appears on its face to be valid;

- (b) Furnishing of tobacco products or vapor products to persons under the age of twenty-one (21).

(1) It shall be an offense for any person to sell, give or furnish in any manner any tobacco product or vapor product to another person who is under twenty-one (21) years of age, or to purchase in any manner a tobacco product or vapor product on behalf of any such person. It shall not be unlawful for an employee under twenty-one (21) years of age to handle tobacco products or vapor products when required in the performance of the employee's duties.

- (2) A person engaged in the sale or distribution of tobacco products or vapor products shall demand proof of age from a prospective purchaser or recipient if an ordinary person would conclude on the basis of appearance that the prospective purchaser may be under twenty-one (21) years of age. If an individual engaged in the sale or distribution of tobacco products or vapor products has demanded proof of age from a prospective purchaser or recipient who is not under twenty-one (21) years of age, the failure to subsequently require proof of age shall not constitute a violation of this subsection.
- (3) Any person convicted of violating subsection (1) or (2) of this Section shall be punished by a fine of:

- (4) Proof that the defendant demanded, was shown, and reasonably relied upon proof of age shall be a defense to any action brought pursuant to this section. A person cited for violating this section shall be deemed to have reasonably relied upon proof of age, and such person shall not be found guilty of the violation if such person proves that:
- i. the individual who purchased or received the tobacco product or vapor product presented a driver license or other government-issued photo identification purporting to establish that such individual was twenty-one (21) years of age or older, or
 - ii. the person cited for the violation confirmed the validity of the driver license or other government-issued photo identification presented by such individual by performing a transaction scan by means of a transaction scan device.

Provided, that this defense shall not relieve from liability any person cited for a violation of this section if the person failed to exercise reasonable diligence to determine whether the physical description and picture appearing on the driver license or other government-issued photo identification was that of the individual who presented it. The availability of the defense described in this subsection does not affect the availability of any other defense under any other provision of law.

- (5) If the sale is made by an employee of the owner of a store at which tobacco products or vapor products are sold at retail, the employee shall be guilty of the violation and shall be subject to the fine.
 - (6) Upon failure of the employee to pay the administrative fine within ninety (90) days of the day of the assessment of such fine, the Clerk of the Municipal Court shall notify the Department of Public Safety, and the Department shall suspend or not issue a driver license to the employee until proof of payment has been furnished to the Department of Public Safety.
