Glossary of Terms

Suggested Retail Price - Suggested Retail Price is representative of dealers' asking prices. It assumes that the vehicle has been fully reconditioned and takes into account the dealers' profit and costs for advertising. The final sale price will likely be less, depending on the car's actual condition, popularity, warranty and local market factors.

Kelley Blue Book® Fair Purchase Price (Used Car) - This is the price people are typically paying a dealer for a used car with typical mileage in good condition or better. This price is based on actual used-car transactions and adjusted regularly as market conditions change.

Fair Market Range (Used Car) - The Fair Market Range is Kelley Blue Book's estimate of what you can reasonably expect to pay this week for a vehicle with typical mileage and configured with your
