STORM DRAINAGE DETENTION FACILITY EASEMENT

Drainage detention facility easements are hereby established as shown to provide for detention of storm surface water and constructed as approved by the city engineer. All maintenance within the drainage detention facility easement shall be the right, duty and responsibility of the property owner(s) in the plat of CLASSEN CROSSINGS APARTMENTS & RETAIL; however, if maintenance is neglected or subject to other unusual circumstances and is determined to be a hazard or threat to public safety by the city engineer, corrective maintenance may be performed by the governing jurisdiction with costs assessed to and born upon said property owner(s). Officials representing the engineering division, public works department, shall have the right to enter upon the easement for purposes of periodic inspection and/or corrective maintenance of the facility. Upon receiving written approval from the engineering division, public works department, property owner(s) may construct improvements within the easement, provided the improvement does not interfere with the function of the detention facility.
