Norman, OK 73072

RE: 3701 Hidden Hill, Norman, OK

### **Letter of No Objection**

Dear Mr. Lind,

Oklahoma Natural Gas Company, a division of ONE Gas, Inc. ("ONG") has no objection to the City of Norman granting a revocable permit to Hendrix LIV TRT that will encroach the rear and south easement at 3701 Hidden Hill, Norman OK. Please be advised that ONG has underground/aboveground facilities in the area. If you need our facilities relocated to accommodate your excavation or construction, ONG will provide you a cost estimate.

Prior to any excavation, please contact OKIE-ONE 1-800-522-6543 a minimum of forty-eight (48) hours for exact location of our facilities. ONG will hold the damaging party responsible for any repairs to our facilities. If any repairs are necessary, ONG is not responsible for any damage to any structures or landscaping on or in the utility easement.

Sincerely,

*Robert Rially*

Manager of Engineering

Hello Christopher.

The new AT&T engineering contact for Norman is Travis Ray.

I have CC'd him on this email.

Thanks,

**Jesse DeArmon**

To whom it may concern,

RE: Consent to encroach in the rear easement of 3701 Hidden Hill Rd

AT&T, Engineering/Construction has no objection to granting this consent to encroach, as depicted and described in your request.

AT&T has buried facilities in this area. It is your responsibility to get locates and you are still responsible for any cable that might be underground.

All conditions for calling OKIE-ONE (1-800-522-OKIE) to have facility locations marked are still in effect to protect our telephone facilities. Any damages, exposing of facilities, and/or relocating or lowering/raising facilities will be at your liability/cost or the contractor doing the work.

If and when AT&T requires access to this easement, any removal/damages to the improvements made in this easement will be the property owner's responsibility.

If there are any questions concerning this matter, please call me at 405-291-1073.

Sincerely,  
Kevin Thomas  
Manager, Engineering & Design  
AT&T Engineering/Construction
