February 12, 2016

Mr. Angelo A. Lombardo, P.E.
Public Works Dept./Traffic Control Division
City of Norman
PO Box 370
Norman, OK 73070

Dear Mr. Lombardo:

Transmitted by copy of this letter are two originals each of executed utility easement related to installation of a new decorative traffic signal on Boyd Street at Parrington Oval.

The Board of Regents approved the granting of this easement at their meeting on January 28, 2016

Please take these documents to the appropriate City of Norman personnel for approval, acceptance, and attesting by the City of Norman. Please return to me one original of the easement once fully executed and filed of record in Cleveland County. If you have any questions or need additional information, please let me know.

Sincerely,

A handwritten signature in blue ink, appearing to read "BE Holderread".

Brian Holderread
Director
