Re: Vicksburg Channel Liner Replacement (1920-42)
 Cardinal Engineering Project No. CONC190900

Dear Carrie,

On Thursday, the 13th of February at 2:00 P.M., three responsive bids were received and publicly opened at the City of Norman’s city hall for the Vicksburg Channel Liner Replacement Project. The three bids received are listed below with the apparent low bidder listed first.

Contractors	Base Bid
EMC Services, LLC Oklahoma City, Oklahoma	\$393,070.00
Downey Contracting LLC Oklahoma City, Oklahoma	\$537,264.00
Meridian Contracting Norman, Oklahoma	\$1,426,332.00

EMC Services, LLC. of Oklahoma City, Oklahoma was the apparent responsive low bidder. We have reviewed their bid proposal, with all items checked for correctness in their extensions and additions. Based on the review, we find EMC Services, LLC. bid and qualification to be competent to complete the project according to the construction documents. Therefore, Cardinal Engineering recommends the award of contract to EMC Services, LLC. for their low bid of \$393,070.00.

Should you or your staff have any questions please call.

Respectfully submitted,
 Cardinal Engineering

Ryan Swain, P.E.
 Project Manager
