City of Norman
Mr. Tim Miles, Capital Projects Engineer
201 West Gray Street, Bldg A
Norman, OK 73069

Re: 24th Avenue SE Water Line Relocation Project Phase II Contractor Recommendation

Dear Mr. Miles,

Regarding the 24th Avenue NE Water Line Relocation Project Phase II, bids were opened on January 24, 2019 at 2:00 pm at the City of Norman offices. Four bids were received and are summarized below along with the Engineer's Estimate:

Contractor	Bid Amount
Engineer's Estimate	\$2,594,759.00
H&H Plumbing and Utilities	\$2,330,500.00
WEB Construction	\$2,380,072.00
Downey Contracting	\$2,745,811.00
Southwest Water Works	\$2,802,150.00

During the bid opening, H&H Plumbing and Utilities, Inc. submitted the apparent low bid in the amount of \$2,330,500.00. This bid has been reviewed for mathematical accuracy and evaluated to identify any potential irregularities, to which none were found. The low bid is approximately 10.1% below the Engineer's Estimate.

Given that the low bid and engineers estimate are within a reasonable percentage, Atkins recommends award of Contract No. K-1819-97 to H&H Plumbing and Utilities, Inc. at the total price bid.

Sincerely,

Josh Malwick, PE, Project Manager
Atkins North America
