

OKLAHOMA NATURAL GAS

A DIVISION OF ONEOK

September 27th, 2012

Attn: Brenda Hall, City Clerk
Jeff Bryant, City Attorney
Doug Koscinski, Current Planning Manager
Ken Danner, Development Coordinator
Ken Komiske, Director of Utilities

Dear Ms Hall,

REQUEST TO PARTIALLY CLOSE A UTILITY EASEMENT/RIGHT-OF-WAY RUNNING EAST-WEST BETWEEN LOTS 9, 10, 11 AND 12 AND 29, 30, 31 AND 32, BLOCK 5, FRANKLIN ADDITION, NORMAN, CLEVELAND COUNTY, OKLAHOMA.

The request for closure of a tract of land being a twenty foot right-of way (alley) located between Lots 9, 10, 11 and 12 and Lots 29, 30, 31 and 32 in Block Five (5) of the Franklin Addition to Norman, Cleveland County, Oklahoma, according to the recorded plat thereof in the records of the County Clerk, Cleveland County, Oklahoma, and being referred to as "Subject Tract" the Applicant seeks to close.

Oklahoma Natural Gas does object to the request to close the Alley Right-of Way easement located in Block 5, Franklin Addition, Norman, Oklahoma.

Because of this, if any maintenance needs to be done to our main and or service lines and it becomes inaccessible, all cost associated will be incurred by the property owner. Should any of our facilities be damaged as a result of your installation, you and/or your contractor will be liable for any cost for repairs. These costs could include a cost calculation for gas loss should any occur.

We also request that the OKIE ONE CALL SYSTEM (840-5032 OR 1-800-522-6543) be contacted a minimum of forty-eight (48) hours before any excavation.

Sincerely,

Brian Navarro
Operations Supervisor
Oklahoma Natural Gas
