AND WHEREAS, the owner of the above-described property requests that portion of driveway be allowed to encroach upon the existing utility and drainage easements;

AND WHEREAS, the City has been requested to consent for a portion of driveway be built at the requested location;

NOW, THEREFORE, the City of Norman does hereby consent to said portion of driveway to be built in the utility and drainage easements with the following conditions:

1. The property owner be responsible for assuring that the portion of the encroaching driveway does not block any possible storm water overflow; and
2. The property owner be responsible for the cost of repairs for any damages to the City's utility and/or drainage easement caused by any excavation or other construction activities conducted on their behalf; and
3. The property owner will be responsible for the cost the City incurs to remove any or all portion of the driveway, if needed, to facilitate maintenance or repair of the City's utility and/or drainage easement; and
4. The property owner will be responsible for the cost to repair or replace any or all portions of the driveway; and
5. The property owner waives and releases any claims against the City for any damages to any or all of the driveway caused by any excavation by the City for purposes of maintaining or replacing the City's facilities within the utility and/or drainage easement areas; and
6. By encroaching on said utility and/or drainage easement, the property owner releases Oklahoma Electric Cooperative, Oklahoma Gas & Electric, Oklahoma Natural Gas, AT&T Southwest, and/or Cox Communications, Inc. of responsibility to repair, rebuild, or maintain any portion of the encroaching driveway; and
7. Damages to Oklahoma Electric Cooperative, Oklahoma Gas & Electric, Oklahoma Natural Gas, AT&T Southwest, or Cox Communications, Inc. facilities resultant from any current/future construction may carry possible financial charges to the property owner.

This consent is limited to the portion of driveway as indicated in the application being located on the utility/drainage easements, and the City does not authorize or consent to the construction or location of any other structure(s) of a permanent nature within the easements. Further, this Consent is given with the understanding that the property owner is responsible for any and all direct and consequential damages resulting from the granting of this consent with entry to or upon the existing easement as required at any time in the future.

The City, or any other entity so authorized, shall not be held responsible for any and all direct or consequential damages to encroaching improvements resulting from entry, by the City or any other entity so authorized, upon said utility easement, for any purpose associated with the maintenance, construction, relocation, etc. of any utility located within the said easement.
