City of Norman
Mr. Tim Miles, Capital Projects Engineer
201 West Gray Street, Bldg A
Norman, OK 73069

Re: 24th Avenue SE Water Line Relocation Project Phase I Contractor Recommendation

Dear Mr. Miles,

Regarding the 24th Avenue SE Water Line Relocation Phase I Project, bids were opened on August 9, 2018 at 2:00 pm at the City of Norman offices. Six bids were received and are summarized below along with the Engineer's Estimate:

Contractor	Bid Amount
Engineer's Estimate	\$1,689,600.50
Cimarron Construction Co.	\$1,955,555.00
Downey Contracting	\$1,898,876.93
Matthews Trenching Co.	\$1,776,005.00
Mckee Utility Contractors	\$1,745,000.00
Southwest Water Works	\$2,108,470.00
WEB Construction	\$1,583,150.50

During the bid opening, WEB Construction LLC. submitted the apparent low bid in the amount of \$1,583,150.50. This bid has been reviewed for mathematical accuracy and evaluated to identify any potential irregularities, to which none were found. The low bid is approximately 6.3% below the Engineer's Estimate.

Given that the low bid and engineers estimate are within a reasonable percentage, Atkins recommends award of Contract No. K-1819-8 to WEB Construction LLC. at the total price bid.

Sincerely,

Josh Malwick, PE, Project Manager
Atkins North America
