SUBJECT: Claim from Jason Abbey

I am in receipt of a claim from Jason Abbey in the amount of \$4,937.69 for installation of a French Drain System and water restoration services due to his claim that in April 2013, the City of Norman performed work on his water line at 4511 Chukkar Court and did not restore the slope of the yard to its previous condition. He states the angle of the slope caused rainwater to substantially flood his bedroom. Mr. Abbey states that as a result of the flooding, he was forced to install a French drain to shift the water drainage on his property.

Ken, I would appreciate your checking with your staff regarding verification of the problem. Please report your findings by written memorandum to me with a copy to Jeff.

Jeff, if it is determined the City has liability in this matter, please signify by writing a report of your recommendations in order that we may schedule this claim as an agenda item.
