to

Katelyn Leeviraphan

Ms. Leeviraphan was at home when she observed some suspicious people at two of her neighbor's houses. She then observed one of the suspicious people climbing over a neighbor's backyard fence. Ms. Leeviraphan immediately called her father who called 911. Norman Police Officers responded to the scene and apprehended a total of five suspects that were involved in the burglary. One of the suspects taken into custody was a suspect in another Norman Burglary and one of the suspects was involved in an Oklahoma City burglary. Ms. Leeviraphan further assisted the Norman Police Department in its investigation by identifying the suspects at a later "show up" at the scene of the crime. If not for Ms. Leeviraphan's awareness of her neighborhood and reporting this suspicious activity, her fellow neighbors would have returned home to find their homes burglarized. Instead, Norman Police Department officers were able to recover a significant amount of their personal property.

Ms. Leeviraphan's personal actions brought favorable recognition to herself by assisting the Norman Police Department in identifying and apprehending burglary suspects.

It is therefore with honor and privilege,
Katelyn Leeviraphan is hereby awarded this

Civilian Service Certificate
