LEYearly	This is a 4 year service contract for the limsExpress Laboratory Information Management System including the Operator10 add-on which includes all updates and technical support. The yearly service charge shall be paid in four equal installments at the beginning of each year of the contract. Support will be rendered over the phone or by remote control which the city must provide. This would include the cost of transferring your current data to the new version format.	4	6,995.00	27,980.00
Custom	Software customization: Transfer Data To New Version (hours)	10		0.00
Custom	Agreement includes a total of 40 hours of customization for the life of contract. The City of Norman may use the hours of customization at any time during the contract (no yearly limitation) as long as they do not exceed the 40 hours. If the 40 hours of customization are exceeded during the contract period then the city will be billed at the standard hourly rate (currently \$85/hour). Please note that if you choose to opt out of the service contract prior to the end of the four years that you will still be responsible for the entire cost, no discounts or refunds will be given.	40		0.00
			Total	\$27,980.00
