RE: Cooperative Agreement

To Whom It May Concern:

Enclosed is your cooperative agreement that runs from July 1, 2020 to June 30, 2021 regarding the wildlife damage management for the City of Norman. Per discussions between Norman Stormwater Management and Wildlife Services the agreement has increased in cost due to the need for a more concentrated focus on beaver activity within the City of Norman jurisdiction. The benefit of this increase will be more time dedicated to the work with a faster response time to requests made by to the City of Norman officials.

Please review and return the signed agreement to our office.

Should you have any questions or if you do not wish to renew the agreement please contact our office at 405/521-4039 or by email at tyler.hicks@ag.ok.gov.

Respectfully,
