Application Summary

Wildwood Community Church is proposing to expand an existing parking lot; they are requesting a Norman 2025 Land Use and Transportation Plan amendment from Open Space to Institutional designation and a short form plat for 1.44 acres. The parking lot expansion will take place north of the church and connect to an existing parking lot for the church; the expanded parking lot will add 155 parking spaces. There will not be additional drive approaches for the new parking lot; it will utilize the existing drive approach that will be modified for a right out and left out only turn lane to direct traffic.
