Claimant's Social Security  
Number: xxx-xx-0446

The claimant worked approximately twelve years for the respondent as a animal welfare officer. She alleges injury to the back as the result of cumulative trauma and single incident accidents. The respondent denies the claimant sustained compensable injuries as plead.

The claimant failed to prove by a preponderance of the evidence that she sustained a compensable injury. She offered no corroborating evidence. The claimant bears the burden of proving by a preponderance of the evidence that he sustained a compensable injury. 85A O.S. §2(9)(e). There must be objective medical evidence of a compensable injury. 85A O.S. §2(9)(d). Here the claimant has failed to meet these statutory requirements. Based on the evidence submitted, and the lack thereof, the claim for compensation is denied.

### III. ORDER

1. The claimant did not sustain a compensable injury back as the result of cumulative trauma or the alleged single incident accidents. Therefore, this claim for compensation is hereby DENIED and DISMISSED.

**IT IS SO ORDERED.**
