January 3, 2020

The City of Norman

301 West Gray, Bldg. A

Norman, OK 73069. 73070

To whom it may concern,

This letter is in regard to a notice that I received for rezoning from A-2 , rural agricultural district to PUD, planned unit development for property generally located at 13300 East Deer Creek Road. I own 80 acres just east of this property.

At this time I feel that changing the zoning from A-2 to PUD would be detrimental to the area. I wish to protest the rezoning. I feel that this spot zoning should not be allowed.

Sincerely,

William Kidd

RE: Notice of Request for Rezoning
Located at 13300 East Deer Creek Road
Norman, Oklahoma

Dear Secretary:

Please take note of my protest of the referenced rezoning request. I am opposed to the zoning change from A-2, Rural Agricultural District to Planned Unit Development. The majority of the residents in this area purchased their properties to enjoy and utilize the benefit of the existing zoning. This area is not conducive to multi-unit or multi-generational development. I am concerned that further rezoning may cause increased traffic, destruction of existing roads and property devaluation.

This area is best suited for A-2 zoning and should not be rezoned. I respectfully request that this action be denied. I plan to attend the Public Hearing on January 09, 2020, and will file this letter of protest with the City Clerk. Thank you.
