Dear Sir:

On March 5, 2014, the Cleveland County Local Emergency Planning Committee (LEPC) voted unanimously to assist the City of Norman Fire Department with the purchase of a swift water rescue boat. The committee members voted to provide \$2,500.00 to City of Norman Fire Department to supplement city funds for the purchase. The funds provided by the LEPC are to be used exclusively for the purchase of the swift water rescue boat.

Sincerely,

A handwritten signature in cursive script that reads "Cathy Canty".
