10. A. **Generally Accepted Laboratory Practices.** The subrecipient shall use generally accepted laboratory practices and procedures as established by accrediting organizations or appropriate certifying bodies.
- B. **External Investigations.** The subrecipient shall ensure that the requirements of 42 U.S.C. section 3797k(4) (which relate to independent external investigations into allegations of serious negligence or misconduct by employees or contractors) are satisfied with respect to any forensic laboratory system, medical examiner's office, coroner's office, law enforcement storage facility, or medical facility in the State that receives a portion of the grant amount.
- C. **Use of Funds; No Research.** Funds provided under this award shall be used only for the purposes and types of expenses set forth in the fiscal year 2009 grant announcement. Funds shall not be used for general law enforcement functions or nonforensic investigatory functions, and shall not be used for research or statistical projects or activities. Use of award funds for construction of new facilities is restricted by statute. Any questions concerning this provision should be directed to the Federal Grants Division Director prior to incurring the expense or commencing the activity in question.
- D. **Performance Measures.** To ensure compliance with the Government Performance and Results Act (Pub. L. No. 103-62), program performance under this fiscal year 2009 award is measured by the following; (1) percent reduction in the average number of days from the submission of a sample to a forensic science laboratory to the delivery of test results to a requesting office or agency (calculated by reporting the number of days to process a sample at the beginning of the grant period versus the number of days to

**2012 Coverdell Forensic Sciences Improvement Grant

process a sample at the end of the grant period); (2) percent reduction in the number of backlogged forensic cases (calculated by reporting the number of backlogged forensic cases at the beginning of the grant period versus the number of backlogged forensic cases at the end of grant period), if applicable to the award; and (3) the number of forensic science or medical examiner personnel who completed appropriate training or educational opportunities with fiscal year 2009 Coverdell funds, if applicable to the award. Recipients are required to collect and report data relevant to these measures.

11. The subgrantee shall submit progress reports within 15 days after the end of the reporting periods, which are June 30th and December 31st, for the life of the award.
12. If required, the subgrantee will submit an acceptable Equal Employment Opportunity Plan (EEOP), pursuant to 28 C.F.R. Section 42.302, that is approved by the Office of Civil Rights within 45 days from the date of the award. Failure to submit an approved EEOP is a violation of the Special Conditions and may result in suspension or termination of funding, until such time as the subgrantee is in compliance
13. The subgrantee agrees that federal funds under this award will be used to supplement, but not supplant, state or local funds appropriated for the same purpose.
14. The subgrantee agrees to provide to the Federal Grants Division copies of all official grant-related press releases at least fifteen (15) working days prior to public release. DAC must in turn notify NIJ. Advance notice permits time for coordination of release of information by NIJ where appropriate and to respond to press or public inquiries.
15. The subgrantee agrees to cooperate with any assessment, national evaluation efforts, or information or data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within this project.
16. The subgrantee acknowledges that the Office of Justice Programs reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use and authorize others to use, for Federal government purposes: (1) the copyright in any work developed under an award; and (2) any rights of copyright to which a subgrantee purchases ownership with Federal support.

Recipient acknowledges that the Office of Justice Programs has the right to (1) obtain, reproduce, publish, or otherwise use the data first produced under an award; and (2) authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

17. To assist in information sharing, the subgrantee shall provide the Federal Grants Division with a copy of all interim and final reports and proposed publications (including those prepared for conferences and other presentations) resulting from this agreement. Submission of such materials prior to or simultaneous with their public release aids NIJ in responding to any inquiries that may arise.

Any publications (written, visual, or sound) – excluding press releases and newsletters – whether published at the recipient's or the government's expense, shall contain the following statement: *"This project was supported by Award No. 2012-CD-BX-0004 awarded by the National Institute of Justice, Office of Justice Programs, U.S. Department of Justice. The opinions, findings, and conclusions or recommendations expressed in this*

publication/program/exhibition are those of the author(s) and do not necessarily reflect those of the Department of Justice."

18. The subgrantee of Coverdell funds will make use of the process referenced in their certification as to external investigations and will refer allegations of serious negligence or misconduct substantially affecting the integrity of forensic results to government entities with an appropriate process in place to conduct independent external investigations, such as the government entity (or entities) identified in the grant application.
19. The subgrantee agrees to comply with all federal, state, and local environmental laws and regulations application to the development and implementation of the activities to be funded under this grant.

Categorical Exclusions: Based upon the information provided by the subgrantee in its application for these funds, NIJ has determined and the subgrantee understands that the proposed activities meet the definition of a categorical exclusion, as defined in the Department of Justice' Procedures for Implementing the National Environmental Policy Act found at 28 CFR Part 61. A categorical exclusion is an action that because of the proposed activities' very limited and predictable potential environmental impacts, both on an individual and a cumulative basis, does not have a significant impact on the quality of the human environment. Consequently, no further environmental impact analysis is necessary under the requirements of the National Environmental Policy Act, 42 U.S.C. 4321, for these categorically excluded activities.

Modifications: Throughout the term of this award, the subgrantee agrees that for any activities that are subject of this categorical exclusion, it will inform NIJ of any change(s) that it is considering making to the previously assessed activities that may be relevant to the environmental impacts of the activities. The subgrantee will not implement a proposed change until NIJ, with the assistance of the subgrantee, has completed any applicable environmental impact review requirements necessitated by the proposed change and NIJ has concurred in the proposed change. This approval will not be unreasonable⁴ withheld as long as any requested modification(s) is consistent with eligible program purposes and found acceptable under an NIJ conducted environmental impact review process.

20. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages recipients and sub recipients to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
21. The subgrantee agrees that reimbursed funds shall be returned to the specific Department in which the funds were originally expended.
22. The subgrantee agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events, including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies, and guidance is available at www.ojp.gov/funding/confcost.htm.

**2012 Coverdell Forensic Sciences Improvement Grant

23. The subgrantee agrees to maintain a current Central Contractor Registration (CCR) throughout the life of the grant.
24. The subgrantee must maintain a current address, area code/telephone number, area code/fax number, and email address. If any information is incorrect or has changed since or during the award period, updates must be made to document the changes on an A-9 Form.
25. Subgrantees understand and agree that federal funds cannot be used, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OJP.
26. The subgrantee agrees to comply with any additional requirements that may be imposed by the Federal Grants Division of the District Attorneys Council (DAC) during the grant period if the Federal Grants Division determines the subgrantee is a high-risk subgrantee.
27. The recipient understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://www.ojp.usdoj.gov/funding/ojptrainingguidingprinciples.htm>.
28. Approval of this award does not indicate approval of any consultant rate in excess of \$450 per day. A detailed justification must be submitted to and approved by OJP prior to the obligation or expenditure of such funds.
29. If the subgrantee chooses to charge a fee for forensic science or medical examiner related services, written notification of this fact must be provided to the DAC Grant Manager so that written notification can be sent to the NIJ Program Manager for the award within ten (10) business days of acceptance of this award. The subgrantee understands and agrees that income from fees charges for forensic science or medical examiner services may constitute program income, and that program income must be handled in accordance with the provisions of 28 C.F.R. 66.25 and the Office of Justice Programs Financial Guide and the DAC Federal Grants Division Financial and Administrative Guide. The subgrantee further understands and agrees that both program income earned and program income expended must be reported quarterly in the A-8 form to DAC. Program income under this award may be expended for any allowable purpose listed in the solicitation for the NIJ FY 2012 Paul Coverdell Forensic Science Improvement Grants Program. Any program income that is not expended prior to the end of the award period must be sent to OJP.
