IMPROVEMENT PROGRAM:

1. Fire Hydrants. Fire hydrants will be installed in accordance with approved plans. Their locations have been approved by the Fire Department.
2. Permanent Markers. Permanent markers will be installed prior to filing of the final plat.

3. Sanitary Sewers. Sanitary sewer mains will be installed in accordance with approved plans and City and Department of Environmental Quality standards.
4. Sidewalks. Sidewalks will be constructed adjacent to 48th Avenue N.W. The owner/developer proposes sidewalks adjacent to the private streets.
5. Storm Sewers. Storm sewers and appurtenant drainage structures will be installed in accordance with approved plans and City drainage standards. Detention facilities will be constructed throughout the development. They will be maintained by a Property Owners Association.
6. Streets. Although private, interior streets will be constructed in accordance with approved plans and City paving standards. Currently 48th Avenue N.W. is designated as a minor arterial street and will be constructed as a collector street. Tecumseh Road is existing. The private street accessing Tecumseh Road serving the large residential lots is proposed to be gated development.
7. Water Mains. Water mains will be installed in accordance with approved plans and City and State Department of Environmental Quality standards. An off-plat 12-inch water main has been extended and connected to an existing 12-inch main parallel to West Tecumseh Road.

PUBLIC DEDICATIONS:

1. Easements. All required easements will be dedicated to the City on the final plat.
2. Rights-of-Way. All street rights-of-way will be dedicated to the City on the final plat.

SUPPLEMENTAL MATERIAL: Copies of a location map, preliminary site development plan and revised preliminary plat are included in the Agenda Book.
