Re: CITY OF NORMAN
ST. JAMES PARK SECTION 5 ADDITION 48" PIPE REHABILITATION
Recommendation of Award

Dear Ms. Evenson:

Bids were received for the St. James Park Section 5 Addition 48" Pipe Rehabilitation project at the Purchasing Conference Room at 2:00 p.m. on May 31, 2018. The bids have been checked for accuracy and for compliance with the contract documents. A tabulation of the bids received is enclosed with this letter.

A total of 2 bids were received on the project. Insituform submitted the low bid for the project in the amount of \$158,644.00. The Engineer's Opinion of Probable Cost was \$137,400.00.

Contingent upon the City's acceptance of the higher bid amount to that of the engineer's estimate, we recommend that the construction contract for the St. James Park Section 5 Addition 48" Pipe Rehabilitation be awarded to Insituform.

Please call me if you have any questions.

Sincerely,

GARVER, LLC

Cort S. Westphal, P.E.
Project Manager
