

GBC 16-09

Applicant: Gary D. Nabors, Jr.
Project: Morning Dove Acres
Location: 96th Ave SE and Post Oak Rd
Request: Rural Certificate of Survey
Land Use: Residential

Greenbelt Commission Final Comments - GBC 16-09
Meeting of August 15, 2016

The Greenbelt Commission wishes to point out that there are two developer provided trail opportunities along streambeds on the one large lot. If the owner decides to break up this lot for future development, the Commission would review the application again for connectivity possibilities.
