Re: Bid Recommendation
Project Number N37318

Project: Norman Water Treatment Wet Lab Renovation. Contract K-1819-66.

Geri:

We received three bids for the Wet Lab Renovation project on May 21, 2020. After reviewing the bids, and discussing the project with the apparent low bidder, we recommend the following:

1. Award the contract to Arrowhead Industries, Inc.
2. Accept all alternate bid items (Ceilings, New Door to Lab and Flooring).
3. The total contract price including all alternates will be \$155,839.00.

Arrowhead Industries is developing a deduct change order to reduce the pricing on the project and we will approve that proposal request prior to executing the contract.

Respectfully Submitted,
