STORM DRAINAGE DETENTION FACILITY STATEMENT
 Drainage detention facility assessments are hereby acknowledged as shown. It is provided for detention of storm surface water and considered an agreement by the City Engineer. All maintenance within the drainage detention facility required shall be the right, duty and responsibility of the property owners association in the plat of 48TH & ALAMEDA, LLC, 48TH & ALAMEDA, LLC. However, if maintenance is neglected or subject to other unusual circumstances and is determined to be a hazard or threat to public safety by the City, corrective maintenance may be performed by the governing jurisdiction with cost assessed to and born upon said property owners association. Officials enter upon the premises for purposes of periodic inspection and/or corrective maintenance of the facility. Upon receiving written approval from the Public Works Department, property owners association may construct improvements within the assessment, provided the improvement does not interfere with the function of the detention facility.
