RE: Engineer's Recommendation to Award 12th Avenue SE Water Line Relocation Bid Number 1617-28

Dear Mr. Clink,

On December 1, 2016, six (6) bids were received for the above referenced project. We have reviewed the bid tabulation for the construction of the above referenced project. The bids, as was read in the bid opening, are summarized as follows:

BIDDER NAME	TOTAL BID
Cimarron Construction Company, LLC	\$118,200.00
Cobalt Construction, Inc.	\$107,874.40
Hammer Construction, Inc.	\$78,487.60
Patriot Construction Services, Inc.	\$108,526.00
Central Contracting Services, Inc.	\$77,118.00
Grooms & Pollard Utility Services, LLC	\$205,390.00

Central Contracting Services is the apparent low bidder with a total bid of \$77,118.00. The unit prices submitted by the low bidder appear to be reasonable and represent a good value for the City of Norman. We have reviewed Central Contracting qualifications Statement and found out that they have served City of Norman multiple times in the past. We believe they are well qualified for this project and their service will meet City of Norman requirements.

We recommend that the construction contract for the above referenced project be awarded to the low bidder, Central Contracting Services, Inc. If you have any questions or require further detail, please do not hesitate to call.

Sincerely,

A blue ink signature of Sumesh KC, P.E.
