RE: **Applicant: Johnston & Associates, Inc.**  
**Consent to close a portion of the road right of way**  
**Lots 2 and 3, Block 2, Broce Industrial Park**

Mr. Danner;

Available records show OG&E Electric Services has no facilities along the north side of Lots 2 and 3, Block 2 of Broce Industrial Park. However, OG&E does have an underground line running north/south along the east side of Lot 3, Block 2. This line is in a private easement OG&E obtained in 1978.

OG&E does not object to your request to close of 10' of road right-of-way adjacent to 3106 Broce Drive. If you should have any other questions, please contact me at 553-5174.

Sincerely,

A handwritten signature in cursive script that reads 'Timothy J. Bailey'.
