The granting of a permit or approval of plans shall not be construed as permission to violate any federal, state or local laws. Special notice is hereby given that additional requirements, notices and regulations will be printed on the permit and plans and that all additional requirements, notices and regulations governing this type of work will be complied with whether specified herein or not. Special notice is also hereby given that the approvals of this permit become null and void if the authorized work or construction is not commenced, is suspended or abandoned after work is commenced, or if no inspections are obtained within a 6 month period. All signs require inspections. Violations of the Sign Code are misdemeanors subject to corrective action and/or penalties.

I agree to abide by all laws and ordinances governing this type of work whether specified herein or not and hereby certify that I have read and examined this application and know the same to be true and correct.
