Re: **Consent to Encroach**
708 Stinson Street, Norman, OK

Brenda:

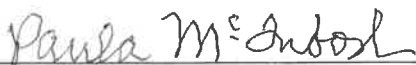

I am writing on the behalf of the home owner at 708 Stinson Street Norman, OK, Mrs. Paula McIntosh. We are applying for a consent to encroach the existing sanitary sewer easement which has been abandon. Please see attached City's GIS map and our correspondence with other city officials.

We are adding a small open patio cover at the back side of the house and a couple of columns are falling inside the said easement. Column foundation will be constructed as a pier footing, about 4'-0 deep. There are no walls to be erected; it's an open patio structure. Please see attached site plan.

We request that you allow us to proceed with this column foundation as shown on plans.

Please do not hesitate to contact us if you have question.

Cordially,

Paula McIntosh, Home Owner
