

heartland church

Growing healthy relationships

To whom it may concern:

The proposal to have a second access to Tecumseh Rd. from our church parking lot replaces the access to Green Leaf Trails in the original plat. In order to accommodate the plans for the newly proposed Springs at Green Leaf to be a gated community we have worked with the developer to do away with the access to Ringwood and replace it with access to Tecumseh Rd.

Sincerely,

Jeff Robinett
Lead Pastor
